FOREIGN NEWS

Against Reform.

LONDON, October 19.—The Shanghai correspondent of the Times wiring yesterday says:

"The Tao Tai has applied to the consuls to arrest over 500 Chinese who reside in the foreign settlements on a charge of conspiracy. Those named include several well known Chinamen whose only crime is that they possess progressive ideas.

"This demand is significant of the growing influence of the anti-foreign party. The fact that a tribute of rice is regularly shipped up the Yang Tse Kiang, proves that the viceroys are still supporting the Empress Dowager."

Manifesto By Rebel Leaders.

NEW YORK, October 19.—The Chinese rebels are strongly established with headquarters at Wai Chu says a Hong Kong dispatch to the Herald. Their leaders, who are apparently disciples of Kang Yu Wei, have issued a manifesto proclaiming that China is completely at the mercy of her foes, for which the mandarins are entirely responsible. Every thing is quiet on the British frontier. The rebels have gone north toward Canton.

NEW YORK, Oct. 18.—In a long dispatch from Yalta, Russia, near which place the Czar is staying, a correspondent of the Herald quotes a high Russian official, who sees the Czar daily, and is fully conversant with the Emperor's views on the Chinese situation. This official asked that his name be not sent, but the tone of the dispatch leaves little doubt it was Count Lamsdorff, the newly created minister of foreign affairs of Russia. The official said of the Russian policy toward China:

"I defy anyone to show that Russia had deviated in any respect from the policy which has been announced, and which is given quite openly in the Russian press. What Russia undertook to do she did. Her policy has been openly and perfectly simple from the first.

"So far from having designs upon Manchuria Russia's frontier in that part was not properly protected. We were so unprepared that we had to submit to being attacked and bombarded. Does that look like our being prepared to annex Manchuria?

"Just look at our country. Can anyone who knows this country imagine for a moment that Russia is in want of additional territory? How can any thinking person entertain such a view? Russia is quite content with what she has got. What she has she wishes time to develop.

Krueger Goes To Holland.

LORENZO MARQUEZ, October 19.—Mr. Krueger was taken secretly on board the Dutch cruiser Gelderland at 5 o'clock this morning. This vessel will take Mr. Krueger to Holland.

The reason given for Mr. Krueger's secret embarkation was that he feared the Boers here would attack him. The feeling of the refugees against Krueger for fleeing from the country is very strong. The party drove through the custom house and embarked from the custom pier instead of from the passenger jetty. It is reported that the Gelderland will sail tomorrow.

LONDON, October 19.—Lord Roberts reports from Pretoria, under date of October 18th, as follows:

"A party of Boers got into Jagersfontein on the night of October 16th and a fight ensued in the morning. Our loss was eleven killed. The Boers lost their commandant and twenty killed.

"Kelly-Kenny dispatched a column under Hughes-Hallett, which should reach Jagersfontein today."

PRETORIA, October 18.—The Boers are daily tearing up portions of the railway and cutting the telegraph and telephone wires. Their attacks are intolerable. The repairing line men cannot leave the garrisons forts without considerable escorts. The only remedy seems to be to corral all the burghers and deport them, as apparently none can be trusted.

Robberies At Nome.

TACOMA, October 18.—The steamer Lane brings from Nome the news that \$20,000 in gold dust was stolen from the Alaska Commercial Co's warehouse on September 14th.

SEATTLE, October 18.—Four desperadoes entered the office of the City Bank & Co at 10 o'clock on the night of September 24th, and while one held up Manager Winterman, the other three carried the safe into the street and took from it \$10,000 in cash.

State for McKinley.

NEW YORK, Oct. 14.—The Herald has completed a poll of twenty representative Assembly districts in Manhattan and four districts in Brooklyn. The poll shows that McKinley will go for Bryan by 48,000 and Roosevelt for McKinley by 24,000.

TELEGRAPHIC ITEMS

Krueger may visit America.

The Pope favors American rule in the Philippines.

The torpedo boat Holland has gone into commission.

Regular troops will be transferred from Porto Rico to Manila.

Dr. Jordan of Stanford will go to Japan to classify the fishes.

Yellow fever promises to increase in Havana when the streets are opened.

Nothing will be done for several weeks towards filling Huntington's place.

Engineer Abbott says the Panama canal will be built under any circumstances.

English financiers are watching the American market for pointers on the election.

Charles T. Yerkes considers his London underground franchise deal his masterpiece.

A cable from Paris to the New York Tribune says the Worlds Fair is within measurable distance of the end.

A punitive expedition of 200 men either French or English, is believed to have been massacred on the Abyssinian border.

Simmons a millionaire hardware man of St. Louis, outbid the Shah of Persia for the famous Tiffany pearl and emerald brooch.

The Wall Street betting odds upon McKinley are now squarely 4 to 1. A bet was made that McKinley would carry New York by 100,000 plurality.

London Vanity Fair says it is believed that Lord Curzon will resign as Viceroy to India, owing to the illness of his wife, who was formerly Miss Alder of Chicago.

Long stretches of the Japanese coast have been devastated by typhoons. At Numazu 100 fishermen were blown out to sea, and probably drowned. Hundreds of dwellings were destroyed in Tokyo.

The anthracite coal miners now on strike demand better terms. They accept conditionally, the ten per cent advance, but want the sliding scale abolished. They also insist that higher pay must be guaranteed for six months, else the strike will be prolonged.

A factory will be established at Auburn, New York, for the new fruit concentration process. This new process was discovered by Sherman Brothers of Newcastle, and E. W. Wall of Boston. The fruit is concentrated in about the ratio of six to one, retaining its flavor and keeping it for indefinite time.
